

Ready to Start? Empower Your Business Journey!

This series of booklets has been developed within the framework of the *Erasmus+* project **360WEE – Women Entrepreneurial Empowerment**, co-funded by the European Union. It is designed to guide you step by step in transforming your idea into a real business.

How to use our training material

We will navigate through the "becoming an entrepreneur" process by using our model "DNA of a successful entrepreneur". It consists of four competence areas that will guide you on your entrepreneurial journey.

Your Entrepreneurial Roadmap

Follow this carefully designed sequence to develop your entrepreneurial skills step by step. Each module builds upon the previous one, creating a comprehensive foundation for your business success.

Getting Started: Your Foundation

Starting point

Start with booklet 1 "The DNA of a successful entrepreneur"

Fill in the questionnaire to find out your entrepreneurship status quo. Find out where your strengths are and where you still have room for improvement. How can you work on those skills / traits?

How to proceed

Alongside your path to entrepreneurship we have prepared different modules to work on. We have created a booklet per module consisting of knowledge bites and mostly also of exercises which train your abilities or help you to get more clarity with your future business.

- Work through each booklet
- Do all exercises

Advanced Learning Modules

The following modules are for deepening your knowledge:

A. Transforming Your Business Idea into a Legal Entity in Malta

Understanding of legal obligations and opportunities in Malta

B. Deeper dive into financial topics: the Austrian Tax and Grants System

Navigate the Austrian tax and grant landscape for your business ventures

C. Available fundings in Malta and Austria

Discover funding opportunities and financial support programs in both countries and EU

Remember: Each step in your entrepreneurial journey builds upon the previous one. Take your time with each module, complete all exercises, and don't hesitate to revisit earlier materials as you progress. Your success as an entrepreneur depends on building a solid foundation across all competence areas.
